Anton François

Personal Data

Place and Date of Birth: France | 3 September 1993 — Phone: +(33) 6 27 87 68 92
Address: 19 rue de l'Odéon, 75006 Paris — email: anton.francois134@gmail.com

Education

2018-2019 **Master 2: Mathematic, Modelisation and learning**, Paris Descartes University
2016-2017 **Master 1: Mathematic and Modelisation**, Paris Descartes University
2014-2016 **Bachelor: Modelisation and Simulation**, Paris Descartes University
2012-2015 **Bachelor: Frontiers in Life Science** , Paris Interdisciplinary Research Center (CRI)

Internships

Feb.-July 2019 **Internship in shape analysis** in MAP5 Paris
Suject: Junction automatic detection in point cloud, *advisors:* Julie Delon, Joan Glaunès, Remy Abergel

Sept.-Nov. 2017 **Internship Natural image synthesis** in MAP5 Paris
Suject: Texture and image synthesis using the HDMI method, *advisor:* Antoine Houdard

July 2015 **Internship with the In Vitro Artificial Intelligence club** at CRI
Charge: Method evaluation and development for neuronal culture in multi electrode array analysis

June-August 2014 **Internship in Freie Universität** in Berlin, *advisor:* Stavros Veresoglou
Charge: Biomass and conidia production from colony size in Penicillium modelling

Sept. 2013 Join IVAI(*In Vitro Artificial Intelligence*) club

June-July 2013 **Internship in ETIS in Neurocybernetic team** in Cergy, *advisor* :Alexandre Pitti
Charge: Embodiment and tansegrity structure with memory forms actuators.

April 2013 **Intership in INSERM- u846**, Bron
Depatement: Cognitive mechanism in the team « cortical Architecture, coding and Plasticity »,

December 2012 **Internship in Nencki Institute**, in Warsaw
Depatement: Neurology, Emotion Neurobiology

December 2008 **Internship in Genetic Institute**, Pierre and Marie Curie University

Work Experience

2017 - 2018 **Year off : Hitchhiking trip in Asia**
many jobs: street musician, bartender, sound ingenior for a documentary,...
2014 - 2017 **Math teacher**
2017 **Woofing :** *havresting, Selling in the market*
2014 - 2017 **Animating Escapes Games Jams**, *specific missions*
2011 - 2014 **Attendant in Contemporary Art Gallery.**
Charge: Welcome visitors, cash, exhibition presentation

Languages & Skills

English:	Fluent, IELTS(6.5)	Computer Skills:	Linux, Python,C ,C#, Matlab, Java, Arduino ,LaTeX
French:	Mothertongue		
Polish:	Spoken and read	Laboratory Skills:	Micro-biology basic techniques
German/Spanish:	Beginner	MOOC:	Coursera : *Machine Learning, Complex analysis*

Interests and Activities

Arts : Drawing (*pen, pencils, watercolors*), Music (*harmonica, guitar, synth*), Poetry ...
Sports : Treking, Mountain Bike,Unicycle, Sailing, rollerblades ...
